

## Section 4. Program Outcomes

**Name of Program:**

**Organization:**

**Focus Area:**

<b>CTCP Related Goal</b>	<b>Customized Project Outcomes</b>	<b>Customized Project Process Objectives</b>	<b>Rationale</b>
Repeat Priority Goals from Section 3 Link outcomes and process objectives to each goal.	-Who or what is to change? -In what direction (increase or decrease)? -How much (percentage)? -By When (include 1 year and 3 year outcomes at a minimum)? (see Focus Area requirements for minimum set of outcomes)	These are volume indicators that track activity related to the outcomes (see Focus Area requirements for minimum set of process objectives, where applicable)	Note any special circumstances, target groups or situations that you took into account and that will impact on the degree (%) to which this outcome or objective will be achieved.
